

# *A Murder is Announced*

The 'announcement' is in the local paper, stating time and place of a murder to occur in Miss Blacklock's house. But who will be the victim?

What follows is a classic Christie puzzle of missed motives, concealed identities, a second death, a determined Inspector grimly following the twists and turns, with Miss Marple on hand to provide the final solution - at some risk to herself - in a dramatic confrontation scene just before the final curtain.
